

DELHI PUBLIC SCHOOL, NAGAON

(A Secondary School, Affiliated to CBSE, New Delhi)

PROSPECTUS

An Educational Abode of Motivated Teaching, Inspired Learning, Excellence and Innovation

A School with State-of-the-Art Infrastructure and Modern Educational Environment

OUR INSPIRATION

Mr. Binod Chhawchharia is the visionary founder of the Gyandeeep Foundation. With a passion for nurturing young minds and a steadfast commitment to educational excellence, he embarked on a mission to create an organization that would revolutionize the way we approach learning.

Mr. Binod Chhawchharia's leadership and tireless dedication to his cause have not only made Gyandeeep Foundation a Beacon of Educational Excellence but have also inspired countless individuals to pursue their own dreams and make a positive impact on the world through education. With Mr. Chhawchharia at the helm, the society continues to thrive and shape the future of education, leaving an indelible mark on the lives of students and the community at large.

NAGAON

FOUNDATION FOR EDUCATION

As parents, the happiness and fulfillment of our children is close to our hearts. In our own ways, we strive to create families where our children can grow. We anticipate for a safe and sound, encouraging society, which will provide for our needs and aspirations.

As parents, teachers and other adults, we all have a responsibility to create ideal communities, which are the building blocks for such a society.

Alongside material happiness and fulfillment, the world's faith traditions upon a more important kind of happiness which comes about when we go beyond ourselves, placing the needs of others before our own. Faith-based Organizations can play a positive role in helping us become better Parents, Teachers and Citizens – and most importantly, better Human Beings.

Meet Our
Chairman of Delhi Public School Society

Mr. Vijay Kumar Shunglu

At DPS Nagaon, we see immense potential in every student and believe in nurturing it with the right environment and guidance.

We strive to create a space where students are encouraged, challenged, and supported at every step. While academics remain important, our focus is equally on shaping confident, well-rounded individuals ready for the future.

As we move forward, we remain committed to building on this foundation and creating a brighter tomorrow together.

Chairman, Managing Committee, DPS Nagaon

Mr. Kaushik Dutta

At DPS Nagaon, we strongly believe that the future of our nation lies in the hands of our children. It is this belief that guides us in all our endeavors and inspires us to nurture and raise responsible and informed citizens of tomorrow.

Since our inception, our focus has been on creating a mentally stimulating and physically invigorating environment for our students; where they are encouraged to Learn, Unlearn and Relearn. We leave no stones unturned in our efforts to create ample opportunities for our students so that they can realize their true passion in life and start honing their skills, every single day as early as Nursery. The journey has only begun, and there are miles to go.

Pro Vice Chairman

Mr. Binod Chhawchharia

At Delhi Public School Nagaon, we are committed to fostering a holistic environment where students are empowered to realize their full potential. We prioritize each child's unique journey, blending Academic rigour with essential Life Skills and Values, to prepare them for tomorrow's challenges.

Our dedication to Excellence is unwavering, supported by cutting-edge learning technologies that offer a global perspective. Rooted in Discipline, Values, and Integrity, we remain steadfast in our mission. With divine guidance, we aspire to achieve comprehensive, All-Round Development for every student.

Principal

Ritu Rajnish

(Where the mind is without fear, and the head is held high, Where knowledge is free....Into that heaven of freedom, my Father, let my country awake. -Rabindranath Tagore)

At DPS Nagaon, we believe that Education extends beyond textbooks and classrooms. Our institution strives to cultivate not just Academic Excellence but also Values that foster Character, Integrity, and a sense of Responsibility in every student. DPS Nagaon nurtures talents in the Performing Arts, Visual Arts, Sports and Academics. We provide a platform for young minds to conduct research at their own level, discover and explore, and make choices for the future. Being an inclusive school, our dedicated team of Teachers would support children through their challenges & help them reach their potential. We believe in the No Child Left Behind policy & work with determination to achieve this aim.

Happy Schooling!

OBJECTIVES

The School has a commitment to the highest standards of Education for all learners; to develop brilliant and logical citizens. The emphasis is on care, providing excellent education, treating the learner as a complete individual and ensuring their abilities and talents are looked after and developed. Including a spirit of research & creativity. Provide a safe, secure, positive, and enjoyable environment that builds self-esteem, self-confidence and the essential attitudes necessary to become supportive members of society.

VISION

To provide a stimulating learning environment that enhances individual potential and ensures that students of all ability levels are well equipped to meet the challenges of education, work & life.

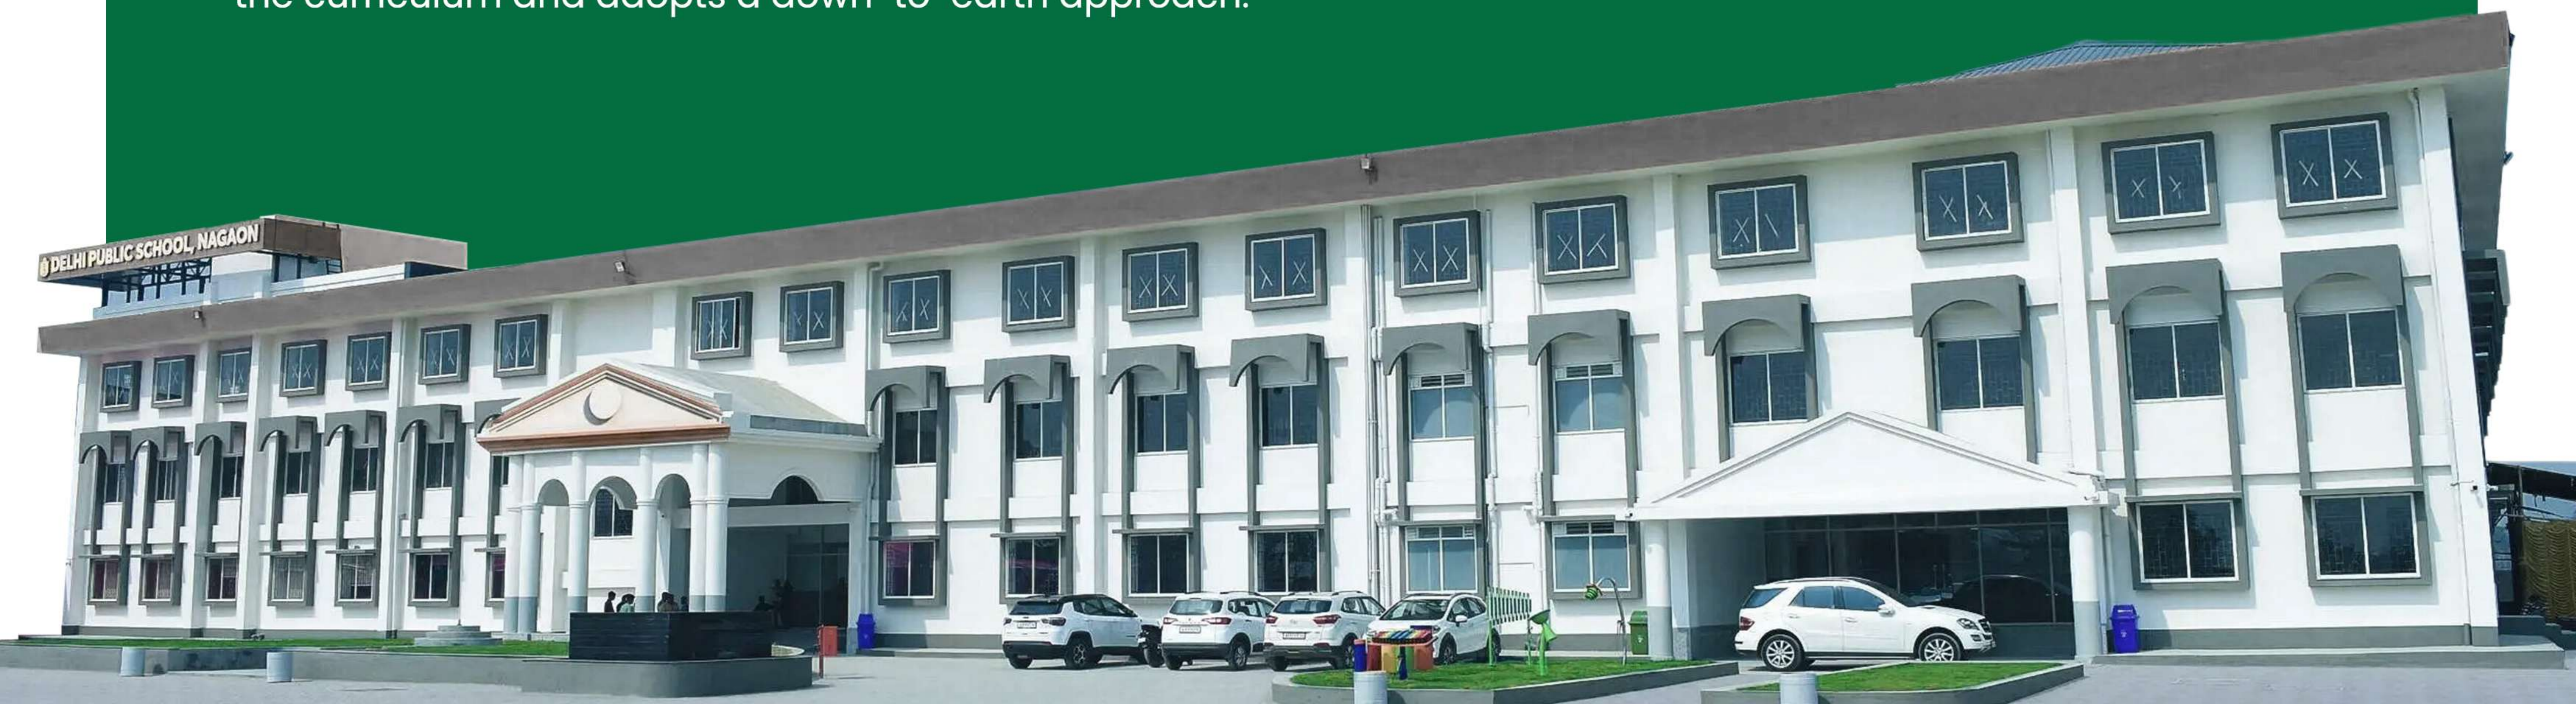

THE MISSION

At DELHI PUBLIC SCHOOL NAGAON, we believe in igniting the natural potential of every child and make him/her equipped with knowledge, and if there is joy in learning & happiness in gaining knowledge, it will remain with the soul forever.

ABOUT SCHOOL

THE DELHI PUBLIC SCHOOL, Nagaon, is promoted by DELHI PUBLIC SCHOOL SOCIETY with the firm belief that children are the valuable assets of our country and we need to invest in their future adequately. Invest not only monetarily but also in terms of quality education, good habits and better understanding of the challenges upcoming in the 21st century. This is the premise on which The Delhi Public School, Nagaon has been formed. It is a co-educational day school and is affiliated to CENTRAL BOARD OF SECONDARY EDUCATION (C.B.S.E.). We are committed to provide value based education to the children of our school. It is our school's vision that when the students pass out of the school, they should not be the ones in the crowd, but they should stand out in the crowd, and they should pass through. The school is spread over a lush and pleasing campus of 3 acres in a sterilised, inspiring and happy environment. The Academic Blocks, Smart Classrooms, Sports Fields, Hobby Centres, Science, Computer, Language and Subject labs, Library, Math Lab, Art & Craft, Language Lab, Kids Play Station, Outdoor Sports Playground, State of the Art Infrastructured Swimming Pool form functional clusters of care and safety. We believe that education must engage with and enlarge experience for the overall growth of the individual. The school encourages this by integrating Sports, Hobby activities, Special day celebrations, Community service, Eco-friendly initiatives and excursions within the curriculum and adopts a down-to-earth approach.

OBJECTIVES

- Provide a well-rounded program of instruction using the best Educational Practices appropriate to the Cultural, Intellectual & Social needs of the students
- Encourage Students, Teachers, Administration, & Parents to play an active role in promoting educational excellence at the School
- Instil a sense of responsibility for their own learning & actions
- Nurture a spirit of research & creativity
- Provide Educational resources for a safe, challenging, tolerant, & supportive environment in which students are actively encouraged to participate
- Develop an awareness of the modern world, & an environmental and aesthetic appreciation of it
- Encourage acceptance & tolerance of the diversity of moral, traditional, and religious values

SCHOOLING LEVEL

ADMISSIONS 2026-27

Schooling Level from Nursery to IX

When a child first goes to school, leaving behind the affection and protection of a home, it is that child's right to be given the same sense of security at school. Recognising this responsibility, we have designed our pre-primary wing with special focus on very young children's needs. Every child is valued as an individual and given the opportunity to grow in their own unique way, while building a strong academic foundation that supports their progress at higher levels.

Age Criteria (As on March 31, 2026)

Pre Primary Section	Nursery	Between 2½ to 3½ Years
	Jr. KG	Between 3½ to 4½ Years
	Sr. KG	Between 4½ to 5½ Years
Primary Section	Class I	Between 5½ to 6½ Years
	Class II	Between 6½ to 7½ Years
	Class III	Between 7½ to 8½ Years
	Class IV	Between 8½ to 9½ Years
	Class V	Between 9½ to 10½ Years
Middle Section	Class VI	Between 10½ to 11½ Years
	Class VII	Between 11½ to 12½ Years
	Class VIII	Between 12½ to 13½ Years
	Class IX	Between 13½ to 14½ Years

FACULTY

We have a team of qualified, experienced, and dedicated teachers who recognise and appreciate the strengths and areas of improvement of each student, and adopt teaching strategies and aids that are appropriate to the classroom environment and beneficial for all learners. The team not only inspires and encourages students to give their best but also helps develop a sense of responsibility, self-appraisal, self-reliance, and self-esteem. Our teachers undertake initiatives that encourage students to become more communicative, responsible, and actively involved.

Quality teaching and strong student-teacher relationship forms the foundation of our highly scholastic programme. All the teachers have special and varied qualities that highlight our strategic planning and scrutiny. They are dynamic, relaxed and enthusiastic with the ability to create a friendly atmosphere in which the children can express themselves and learn. They encourage the development of each child, by providing security and warmth, emphasizing self-discipline more than authority and encouragement over punishment.

STUDENT MENTORING & COUNSELING SERVICE

The school follows mentoring scheme where each child (mentee) is given under the personal care of a teacher (mentor), the mentor is in touch with the students on a regular basis and does maintain various behavioral, emotional and personal growth record of the student. Competitive Examination Coaching such as National Science Olympiad (NSO) and National Science Talent Search Examination (NSTSE) will be held to enhance the knowledge of students that will help them face competitive exams in the future. The school provides practice sessions complete with interactive feedback and tutorial session in which the student is taught about the basic techniques for answering various types of questions.

CAREER GUIDANCE

Career planning is one of the most vital aspects of any student's life. Choosing a career is not an easy process, so it should start as early in the academic life as possible. At our school we start it early & help students gather information on issues such as different career options, the eligibility criteria, the premier institutions from where the required qualifications for a certain career could be acquired, variables such as attitudes, abilities and learning also play a major role. A discussion on careers cannot be complete without a review of personality tests, group discussions and interviews which will be done on a regular basis to find the areas of improvement & various strengths which can be worked on.

LIBRARY

The library is unrivaled with more than 5000+ books, subscribed latest periodicals and magazines both Indian and foreign. The students are encouraged to cultivate good reading habits and use the library as an important center for learning.

INFRASTRUCTURE

Our School has ventilated, spacious and well designed Classroom, Staff Rooms, Labs and Admin Area.

LABORATORIES

Large, fully equipped laboratories are there to encourage students to partially explore what they have learnt theoretically and to inculcate in them the scientific temper of experimentation and validation. The school has the following laboratories: STEAM Lab, Maths Lab, and Computer Lab.

SAFETY & SECURITY

24 hours surveillance through most advance CCTV systems with professional security personnel, a completely fenced campus.

UV RO WATER SUPPLY

100% RO and UV: 100% water passes through RO and UV to give to completely safe water always.

INTERACTIVE ACTIVITY ROOM

The School has an Interactive Activity Room for learning with experience.

DG SET & UNINTERRUPTED POWER SUPPLY

DG Set is installed in Campus to cover the load shedding, With a total captive power of 30KVA the residents enjoy a 24 hours uninterrupted power supply.

TECHNOLOGY

Smart Class

DigiClass is our ICT-based classroom solution that aims at converting traditional classrooms into interactive session by combining state-of-the-art hardware with syllabus-compliant, multimedia content. This solution employs the DigitALLY™ application (Multimedia Enabled Syllabus Specific Course Content).

DigitALLY's preloaded storage area has thousands of animations, self explanatory diagrams, 3D interactivity, worksheets, quizzes, e-books and several hours of experiments. It empowers teachers to customize lesson plans, add/edit existing content and add new subjects and content to the pre-loaded repository.

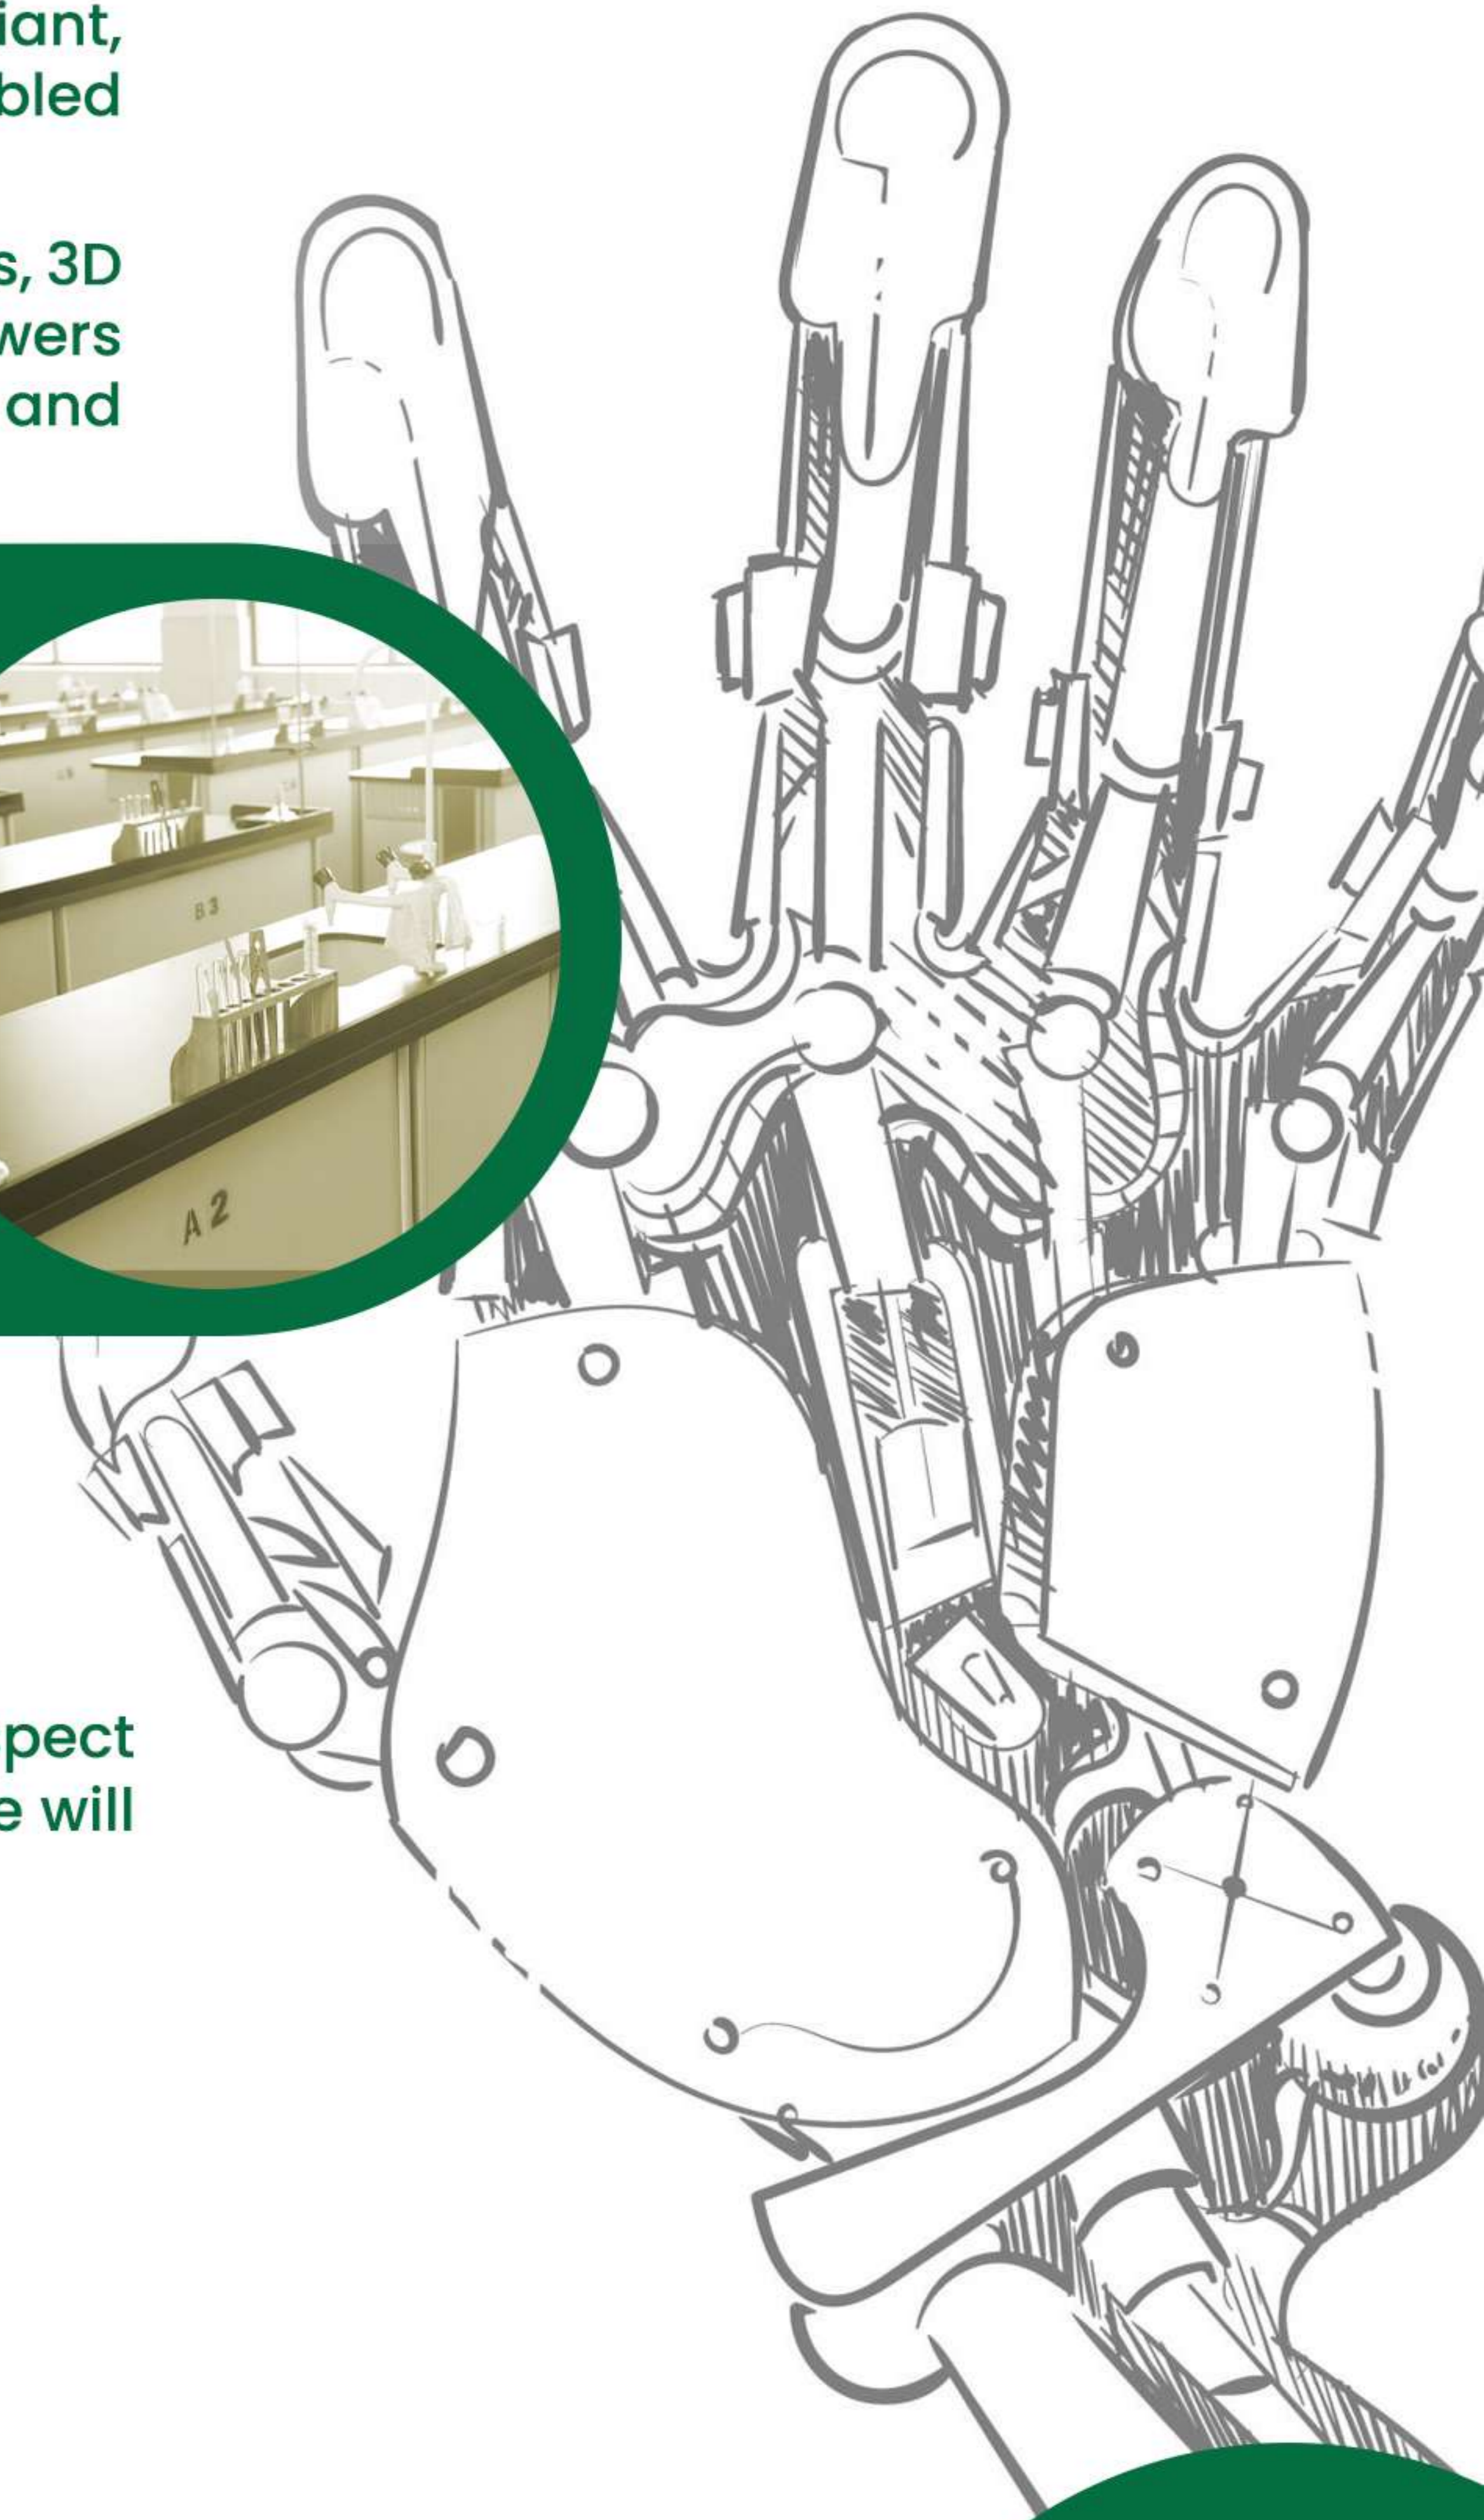

Composite Science Lab

The Science Lab is a spacious hall that can accommodate 35-40 students at a time. Lab activities and experiments engage student's mind which help them to acquire necessary skill and confidence. The lab is equipped with the latest equipment's catering to the secondary level syllabus where students carry out their experiments in an innovative environment. Meaningful learning will occur where laboratory activities are a well-integrated part of a learning sequence.

STEAM Lab

The open ended STEAM LAB having no boundaries to stop the creativity of student with respect to Science, Technology, Engineering, Arts and Mathematics. Realtime first hand experience will make them learn and understand the concept for its effective implementation.

TECHNOLOGY

Math Lab

The innovative Math Lab ensures the understanding and verification of various theories and concept of math by the manipulators, interactive mathematical tools and computer interface.

Computer Lab

The state-of-the-art computer centre provides plenty of opportunities to students to get an exposure to the IT environment and learn to use various tools and software in their daily life and syllabi.

BUS FACILITIES

The school has bus facility from the most of locations of the districts. Specially designed buses for the safety and comfort of the students are used. The children are picked and dropped by the escorts. The roads are planned in such a way that the travel time of the children minimized (GPS Tracking System).

MEDICAL FACILITIES AND FIRST AID

The school has first aid facility of its own. Regular medical check-ups for the entire school will be done routinely. Cases requiring serious medical attention will be taken to the nearest hospital.

The school authorities reserve the right to refer a student to any specialist for treatment or operation when the need arises and when time is at a premium. In all normal cases, the parents will be consulted before such action is taken. We also have a trained staff Nurse stationed at the Infirmary, right from 7:30 AM to 2:15 PM.
